## Farm Stewardship

**&**

## Farm and Ranch Water Infrastructure Program Information

You can still apply for **rebate** Beneficial Management Practices through the Farm Stewardship Program

These include:

*Fencing to Protect Surface Water*

*Manure Application Equipment and Technologies*

*Protecting High Risk Erodible and Saline Soils*

*Shelterbelt Establishment*

*Weather Data Collection and Monitoring*

*Irrigation Management Planning*

*Variable Fertilizer Equipment*

*Variable Rate Mapping*

*Plastic Grain Bag Roller*

*Used Oil Storage*

Some of these require an Environmental Farm Plan

If you do not have an EFP you can complete one on-line

Go to [www.Saskatchewan.ca](http://www.Saskatchewan.ca) and search Environmental Farm Plans

**Farm Stewardship claim form deadline is Jan 31, 2018**

**Farm and Ranch Water claim form deadline is Feb 15, 2018**
