

Agriculture / Rural Community Award – 2022

The District 32 Agriculture, Development and Diversification Board (ADD Board) is offering a \$1,000 award to a Grade 12 student graduating in 2022. Students must be pursuing post-secondary education (university or technical) that will serve a rural agricultural community.

Applicants must reside within one of the Rural Municipalities (RM's) that are members of the ADD Board. This includes farm/acreage/town/cities within the RM of Prince Albert, RM of Buckland, RM of Garden River, RM of Paddockwood, RM of Duck Lake, RM of Kinistino, RM of Birch Hills, RM of St. Louis and RM of Invergordon.

Students are asked to prepare a submission that addresses the following theme:

“How will your post-secondary education make agriculture or your rural community a better place?”

Submission should be a minimum of 300 words and maximum of 500 words.

Covering letter to include:

- Applicant's name, address, phone number, email
- High school – name, location
- RM, town, village or city of residence (as outlined above)
- Post-secondary information – name of institution and program of study

The selection process may include a phone interview.

The award will be paid when enrollment has been confirmed.
